No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 80c per bottle.

The Marion District Conference.

The Methodists of Dillon are looking forward with much pleasure to the meeting of the Marion Conference which is to convene in the Main Street church here on next Tuesday morning at 9:30 o'clock. Not only the Methodists but the people of the community generally are delighted to have this assembly of Christian workers meet in Dillon. On behalf of the people of the entire community we extend a most cordial welcome to those gentlemen. There will be present about seventy-five or eighty delegates and ministers in attendance.

The Marion District covers the counties of Marion, Dillon, Conway, and part of Marlboro. The District contains 22 Pastoral Charges, 72 churches valued at \$367,300. It contains 68 Sunday Schools with 566 officers and teachers and an enrollment in all departments of 6,934. In the District last year there were 833 accessions to the church and the total amount expended for all purposes was \$152,353.

Officers Capture Still.

When Officers Jones and Bethea arrested Will David, colored, Thursday night they found on him a bottle of moonshine whiskey. Will was in a slightly intoxicated condition but he could talk well enough to tell the officers where he got hold of the stuff that seemed to bring on something like muscular paralysis. With the evidence in hand Rural Police-men Altman and Hamilton went early Friday morning to the home of John Miller, colored, in the upper end of the county and located a small whiskey making outfit. The outfit was complete, being rigged up with a small copper pipe. Miller and the outfit were brought to town.

Reno In Program of Magic and Mystery at Chautauqua

Edward Reno, who will give a program of magic and mystery on the last night of the Redpath Chautauqua, has been a magician for thirty-five years, and in that time he has traveled all over the world, including India, Syria and Egypt.

Reno is constantly inventing new things of magic and illusions and also in foreign lands he picked up many things not known to professionals.

In his performance he springs one surprise after another on his audience and keeps all in a state of breathless wonder and delight until they forget to note the flight of time.

Not the least enjoyable feature of Reno's performance is the running fire of conversation with which he enlivens everything he does.
